LOUIS VUITTON

Glass rings, £19 each, Suki Lau

Lizard bag, £525, Pickett

Wool jacket, £244.50, Hoss Intropia

LOOKING GOOD IN POWDER COLOURS

Beware: pick just one colour and there's a danger you could look drab. It's easily solved, though, by mixing up textures to add depth – patent and metallic accessories are particularly good for lifting pale shades – and picking clothes in different tones in one colour palette. We also love the way black tights make a powder palette look more grown-up.

Suede shoes, £370, Emma Hope

Silk blouse, £75, Whistles

From top: Leather bag, £70, Coccine
Leather belt, £30, Malene Birger
