

Sukie Lau in The Guardian Weekend

food & drink fashion beauty mind relationships homes gardens property pu

weekending

Something for the weekend...

Add some colour and a flash of zing to your look by slipping a cocktail sparkler on your finger - the bigger and bolder the better; this is no place for subtlety. Think sci-fi meets art deco for a Dannii Minogue take on the trend, or invest in a blast of red, green or purple to spice up a boring black dress.

Words: Emma Sibbles.
Styling: Priscilla Kwateng
